Sport Report 2017-2018

Summer Term 2018

Hello and welcome to this academic year's sport report, celebrating the successes of Bitterne CE Primary! This year has been a remarkable success, with the school entering a combined 38 events (including finals), and well over 150 children representing the school across these events. Incredibly, of the 38 events we entered, we finished in the top three 26 times!

BPS Sport Celebration Collective Worship

Earlier this week, the BPS Sport Celebration Collective Worship took place, allowing KS2 children to celebrate their successes whilst representing the school, as well as recognising the achievements of children who work hard in a variety of sport outside of school. Each child who represented the school this year received a Celebration certificate. Additional awards were given out, recognising outstanding contribution to school sports this year. Our **Team of the Year** was the **athletics team**, who set record after record at the Southampton Athletics event in June!

The following children received individual awards, recognising their efforts when representing the school across the year:

Sports boy: Tommy W

Sports girl: Izzy S

Most improved boy: Jack B

Most improved girl: Katie N

Contribution to sport girl: Amelia H

Contribution to sport boy: Elijah L

Out of school sporting achievement: Molly S

Hampshire Games 2018

On Thursday 21st June, five teams from the school travelled up to Aldershot to represent Southampton in the annual Hampshire Games. The children had a wonderful day, competing against the very best from across the county in netball, athletics, basketball, gymnastics, and tennis. All involved had an amazing day, and were a credit to the school. A special thanks must go out to all adults, who rolled out of bed extra early, supervised the children, and supported their achievements throughout the day.

Southampton City Sports Awards

On Wednesday 18th July, 35 of our children attended the annual Southampton City Sports Awards held at Itchen College, Southampton. The afternoon celebrated team and individual events that took place across the city over the academic year.

Due to our immense efforts and successes this year, we were celebrated as one of the top performing school in the city! Following last year's achievements, which saw us receiving five trophies, we went one (well, six!) better, and picked up eleven trophies for the following: **Y5/6 Netball League, Y5/6 Netball Tournament, Primary Boys Athletics, Primary Girls Athletics, Primary Combined Athletics, Y5/6 Basketball League, Y5/6 Badminton Boys League, Y5/6 Badminton Doubles Tournament, Y6 Rounders Tournament, Y5/6 Indoor Athletics, and Boys Upper School Cross Country Winner (Tommy W).**

Final message

I would like to say a massive thank you to Mrs Bishop and all the parents, carers, grandparents, school staff, and event supervisors who have supported the children, and school, at events across the year. Our success is a result of the hard work of our staff and the wider community, whether it be offering lifts to and from school, or offering coaching and refereeing assistance at events. We are very fortunate to have you, the parents and guardians, who provide access to opportunities outside of school which, ultimately, help the school excel at these events. The results table demonstrates the children's phenomenal efforts and achievements across the year, and it is proof of the support that is provided behind the scenes by so many people.

I would like to finish by wishing our Year 6 pupils the very best moving forward. It has been an honour to coach, encourage, and watch in awe as they have achieved so much over the last year. I felt privileged to witness the immense talent in the year group, and I have no doubt that they will demonstrate the same commitment and achievement as they move through secondary school.

Mr Precious—PE Leader
